

2018 Philadelphia Plumbing Code

Goals

The goals of this seminar is to provide an overview of the 2018 Philadelphia Plumbing Code

- Comprehensively cover the specific amendments and new sections to the base 2018 International Plumbing Code creating the Philadelphia Plumbing Code
- Correlation between the 2018 Philadelphia Plumbing Code and the existing Philadelphia Plumbing Code (dating back to 1960s)
- Overview of the 2018 Philadelphia Plumbing Code in relationship to where specific information is found in the Code

Objectives

Upon completion, participants will be better able to:

- Identify the specific amendments and new code sections found in the 2018 Philadelphia Plumbing Code.
- Understand where specific plumbing system requirements are found in the 2018 Philadelphia Plumbing Code.
- Apply the provisions of the 2018 Philadelphia Plumbing Code to design, installation and inspection phases of construction.
